Dress Regulations: Dress must comply with Club standards at all times. Notice Boards setting out these standards are on display in the Club House Foyer and at the Pro Shop and must be strictly observed by all members and visitors using the facilities of the Club House and the Golf Course.

Pro Shop: The Pro Shop is operated by Club Professional Travis Merritt, his wife Jo and team member Tyler. As a preferred Titleist supplier Travis and his team can beat any competitor's price on Titleist clubs and equipment.

The shop has a wide range of clubs, bags, buggies and golfing accessories including Footjoy, Navika and Glove It. They also stock an extensive range of men's and ladies golfing apparel with brands such as Greg Norman, Cross, Nike, Adidas and Sparte Leisure. Looking for something a little bit different then there is a chance you will find it here.

Lessons are available for private or group tuition for beginners to the more advanced player.

A MESSAGE FROM THE CAPTAIN

WE HAVE PREPARED A SYALLBUS THIS YEAR IN LINE WITH WHAT YOU THE MEMBERS HAVE BEEN ASKING FOR AND WE HOPE THAT THE COMING YEAR IS MOST ENJOYABLE FOR ALL PLAYERS.

Time sheets are provided so that players can choose their time and who they wish to play with. It is the player's obligation to inform the Pro Shop in time for a replacement to be found if they cannot attend; failure to do so may result in the Match Committee taking action should the player continually offend.

It is important to note that the Annual Golf Syllabus will change from time to time and the monthly version takes precedence. Golf members should refer to the monthly program to ensure that they are up to date. The **Monthly Syllabus** is located in the Clubhouse the Pro Shop and can be viewed on the website at www.howlonggolf.com.au.

It is a policy of the Club that all players report to the Pro Shop **15 minutes prior** to their allotted tee time.

Players are reminded that **soft spikes** only are to be worn on the golf course, along with each player carrying a sand bucket, repairing divots on the fairway and plug marks on the green.

Dress Regulations on the golf course are displayed outside the Pro Shop and must be adhered to at all times.

BYO alcohol is not permitted on the golf course. The golf course is fully licensed and alcohol for consumption on the course can be purchased from the clubhouse at takeaway prices.

Carts and all other forms of ride on machines are not permitted to be driven within 5 metres of the greens and immediate surrounds and should be kept to paths and edges of fairways where possible.

The lowest handicap player in the group is responsible for the **golf etiquette** of that group and should at all times encourage the group to keep up with the group in front and maintain an acceptable pace of play. The Course Marshall has control of the field and is there to ensure that all golfers have an enjoyable round and is available to assist if required.

There is a **local rules** board outside the Pro Shop which are to be read in conjunction with the rules of golf. Please take the time to check this board before your start your round, in case a change has been made.

The **Match Committee** has control of all events and has the right to change an event should it be required to do so.

Bill Tanks has been appointed co-ordinator of all **working bees** to be held on the golf course and as you would all be aware there is always work to be done, so feel free to contact Bill even if you only have a few hours to spare, it all helps.

Happy Golfing.

Norm Clarkson.

THE GAMES GOLFERS PLAY

FOURSOMES (Including Mixed)

Teams of two. One half of aggregate stroke handicap. Players play alternatively from tee and alternate shots on the remainder of each hole. Penalties do not affect the playing of alternate shots.

AMERICAN FOURSOMES (Including Mixed)

Teams of two. Three eighths of aggregate stroke handicap for all players - (New Rule). Both players play from the tee. Each player then plays one shot with their partner's ball. The players then decide which ball is to be played and this ball is then played alternately for the remainder of the hole.

CANADIAN FOURSOMES (Including Mixed)

Teams of two. One half of aggregate stroke handicap. Both players play from the tee and then decide on which ball is to be played. The selected ball is then played alternately for the remainder of the hole.

CHAPMAN FOURSOMES (Including Mixed)

Teams of two. One third of aggregate stroke handicap. Each player plays from the tee and plays the next shot with his/her own ball. The players then decide which ball is to be played and the selected ball is played alternately for the remainder of the hole.

IRISH FOURSOMES (Including Mixed)

Teams of four. Each player plays their own ball and all the scores are recorded on the card. The winning team will have the best scores by any two of the four in the team as nominated in the programme. eg. Best and Worst.

AMBROSE (Including Mixed)

Teams of four. One eighth of aggregate stroke handicap. The Captain (the lowest handicapper) determines the order of play from tee to green. All players drive from the tee and the Captain then selects the best position from which all players play by dropping their ball within one club length of the selected ball. Each player's drive must be used a minimum of Four (4) times, and the scorecard to be initialled by that player against the hole. On the green, balls are placed within one handspan of the selected ball. As a two ball (one quarter of the aggregate stroke handicap) and a three ball (one sixth of the aggregate stroke handicap), Ambrose must be played using the same procedure.

PAR

In Par play the score is entered on the card in the same way as in stroke play with the exception that where the score exceeds par for the hole, after allowing for handicap stroke (if player is in receipt of one) the score need not be written in. It is the custom that when a player is beaten by par, the ball shall be picked up. This helps speed up play.

After entering the stroke score on the card, the result is marked in the column provided with a "+" sign for a win, an "O" for a half and a "-" for a loss. At the end of the round the plus and minus signs are added and the nett result written in as so many "up", down or "all square".

A player is allowed his full stroke handicap and the strokes are taken at holes as indicated on the card.

Where the handicap is more than 18, two strokes will be allowed on the number of holes that the handicap exceeds 18. Two strokes will be taken in the same order as followed for the first 18 holes unless the index goes beyond 18.

FOUR BALL MULTIPLIER

Teams of two. Each player plays his own ball. The result is achieved by multiplying the stableford scores on each hole.

FOUR BALL BEST BALL STROKE

Teams of two. Each player plays his own ball and at the completion of each hole the best nett score is recorded.

HANDICAP INFORMATION

To obtain a handicap, a member (male or female) must submit three (3) signed stroke score cards, of nine (9) or eighteen (18) holes marked by a responsible person who is a member of an affiliated golf club and holds a golf link number. The cards must clearly show the players name, membership number, date and be marked "For Handicap". The marker must sign the card and record their golf link number on the card.

GOLF ETIQUETTE

DON'T talk, move, or do anything that will distract the attention of the player when he/she is in the act of playing a stroke.

DON'T delay in calling the following players through when you are searching for a ball or having lost your place in the field because of slow play.

DON'T dawdle between shots - move smartly and minimise practice swinging.

DON'T mark your cards on the green - remember those waiting on Play On.

DON'T shout loudly - remember voices carry and there are other players concentrating on their game.

DON'T hesitate to apologise if you have committed a wrong, and accept an apology in the sportsman like manner in which it is given

BE patient, tactful and pleasant. Endeavour to assist those not as knowledgeable as yourself in the game.

PARK buggies in a close proximity to next tee to save time.

Players **MUST** carry and use a sand bucket at all times. Players should see that any turf or divot displaced by them is at once replaced and pressed down.

Players **MUST** rake all marks left in a bunker before leaving.

Players **MUST** repair all pitch marks on greens

Hit Off the next tee before marking your card if you have the honour on the tee.

SLOW PLAY

The regular occurrence “Slow Play” is discussed constantly amongst members of all Golf Clubs. Slow play does effect the enjoyment of the game for many players so with this in mind we print the following assistance to help overcome the problem.

- 1. Not being ready on time**
Select club and ball while other players are having their shots.
- 2. Delays on tees or greens while marking the card.**
Always mark your card while awaiting your turn at the tee.
- 3. Players wait with others on the tee until all have played their shot, then walk to their own ball.**
Select club and ball while other players are having their shots.
- 4. Unnecessary number of practice swings.**
It is agreed that each player has his own preference in this matter, but practice swings should be limited by discretion.
- 5. Delays in locating lost balls**
As soon as it is apparent that you are holding up play, call the next group through.
- 6. Lack of discretion in playing through a team that has lost a ball.**
If called ahead as in 5 but immediately afterwards the team ahead locates the missing ball and it is evident that play will proceed faster if they continue, you should signal to them to go ahead.

7. On the putting green unnecessary marking of balls and players not continuing to putt out.

On reaching the green and your ball, study the line of your putt immediately. When it is your turn, try wherever possible to putt out. Marking the ball is sometimes necessary, but not always, and should be avoided.

8. Players not using the time on the green, while waiting their turn, to assess their own putt.

Whenever possible, a player should have assessed his own putt for direction and speed while the other players are putting, providing in doing so, no interference is caused to the other players.

9. Incorrect handling of the Flag on the greens.

The Player nearest the hole should attend the flag and then pass it on to the first player to hole out, then appraise his own putt.

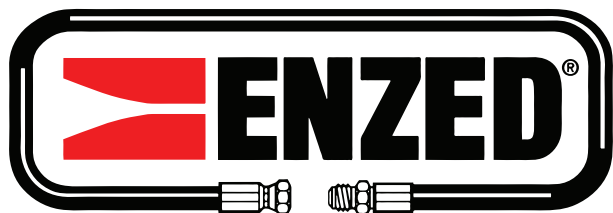

10. Leaving buggies around the green on the wrong side of the tee.

Always place your buggy adjacent to the approach to the tee.
