This club relies on the assistance of the hardworking volunteers that ensure that the access to these sporting activities is provided for the benefits of our members.

The Bowls joint meeting has also taken place and I am pleased to advise that Wally Bourne has been elected as Bowls Manager and Dianne Fletcher as Deputy Bowls Manager. The Joint Golf meeting will be held later this week to elect the club Captain. Wally has been doing an outstanding job not just managing the onerous administration side of our Bowls but also coordinating the volunteers who are performing the maintenance of the Bowling Greens. Wally is always looking for help and if you are able to lend a hand it would be greatly appreciated. You don't need to be a Bowler, if you can help out we would love to hear from you.

PRESIDENT'S REPORT CONT...

I have enjoyed being involved in a number of the committee annual meetings and receiving some great feedback from members. A couple of questions were raised at the Men's Golf Annual Meeting of playing members which I thought would benefit a number of members by publishing them in this newsletter:

Do we have a self-service Keno terminal?

The Club recently installed a self-service Keno terminal which is located in the gaming room. We will review how this goes and we may look at installing a second terminal in the sports bar in the future.

Can I place cash on my card so that I can use this for purchases?

It is no problems for members to place cash onto member's cards. If you see any of the Duty Managers this can be arranged for you. This is a convenient way to pay for food and beverage or pro shop goods to avoid needing to use cash all the time.

THANK YOU JAN

Last month we said thank you to the wonderful Jan Wilson.

After 5 years at the helm of the Howlong Junior Golf program our coordinator Jan Wilson has resigned from her position. Jan has a number of family commitments that she needs to focus on and she hopes to continue to assist as a coach for our clinics when time permits.

Jan has done an amazing job, she received Golf Australia's highly regarded award for Coaches Recognition in 2013. This was the first time that Golf Australia had ever awarded this honour to a volunteer coach. She was instrumental in the Club being named Jack Newton Junior Golf Club of the year and Golf Australia Centre of the year. On top of all this Jan was the Junior Coordinator for the Murray District Golf Association, and organised the Primary School Sports Program.

Thank you Jan and good luck for the future! We are glad that she is still going to be involved as a coach, it wouldnt be the same without you!!

If anyone is interested in helping out with the program which kicks off again in September we would love to hear from you!

CLUB CHAMPIONSHIPS

82 competitors played in the 2018 Men Club Championship. Congratulations to James Walker who achieved the double of Junior Club Champion and Club Champion. James won the Club Championship in a canter, finishing 17 shots ahead of his nearest competitor with a 4 round score of 287.

By comparison in B Grade, Trevor Pattinson and Peter Redhead could not be separated after 72 Holes with a 4 round total of 334. After a 4-hole playoff Trevor Pattinson came out victorious to claim B Grade. A fantastic effort by both gentlemen who are septuagenarian's. Trevor also took out the Super Senior Championship.

Des Nemeth comfortably held the challengers at bay to claim the C Grade trophy, even with the distraction of Ray Reid as his caddie for the final round. Des won by 9 shots with a 4 round score of 355.

While in D Grade Ron Newman dominated from start to finish streaking the field by 11 shots with an aggregate total of 377. Allen Brown cruised to the Senior Club Championship title. Allen started the Senior Championship in fine form with an opening round 74 and was in control from there on to post a 4 round score of 313 with the margin being 10 shots to his nearest rival.

LADIES GOLF NEWS

Hi all. What great weather for golf....even early in the mornings or late afternoons we are there..... persuing our goals of trying to put that little white round object into that hole way over there or here!!!!!!

On 30th May the ladies participated in the KENO PAR aggregate. That was a great day with winners being in a Regional Final in October and progressing to Bonville for the Finals. Good luck to all ladies.

Travellers have been out and about in the last month....travelling to Canberra, Jerilderie, Cobram/Barooga, Holbrook, Benalla, Myrtleford and Jubilee.

Winnings were in the areas of ntps, ball rundowns, countbacks, small teams and longest drives. Congrats to all.

Fay Barnes won the A Grade at Myrtleford. Congratulations and well done.

Top of the Murray was played at Corowa, Howlong and Thurgoona and a few locals played all 3 days. A great time was had by all but no immediate lady winners in golf.

Pennant Ladies have not had a winning year but with one week to go, here's hoping ladies.

The Championships will begin on June 6th ..13th..20th..

There will be a small end of Championship snack on Wed 20th after presentation.

Good luck, good golfing to all and remember ...
"When you help someone up a hill, you are that much nearer the top yourself".

The Wonders of Golf

I am the ball, rushing through the grass,
I am the patient flag as the wind blows at last.
I am the footsteps as I step into the dirt,
I am the hole when the ball falls into the earth.
I am the club as I swing through the air,
I am the tulips that sit on the side and just stare
I am the kookaburra sitting high up in the trees,
The ball goes up and into the leaves,
The sun is setting, its time to go,
I give my club one last swing as the evening breeze starts to blow.

WOMEN'S BOWLS NEWS

The RDWBA Presentation Day was held at the Howlong Golf Resort on the 17th May, 2018. 87 attended and the day was a great success.

Thank you to the members who organised the morning tea and to the two members who prepared the tables plan and attendee seating.

Also, a big thank you to Operations Manager Chris Bale for organising the tables, to Margaret O'Donnell for allowing her wedding flowers to be placed on the tables, to Wally and Margaret Bourne for ensuring 74 ladies could enjoy a game of bowls before lunch, to the members who donated raffle prizes and to the 3 ladies who sold so many raffle tickets the event was not run at a loss to our club – most important!

Howlong Women Bowlers held their Annual General Meeting on the 30th May. Firstly, a big thank you to those who retired this year – Chairman Margaret Bourne and Deputy Chairman Eileen Wiersma – for the committee work they have done over many, many years. They certainly need a rest.

Best wishes to the newly-elected 2018-2019 Women's Bowls Committee: Chairman Dianne Fletcher, Treasurer/Secretary Margaret Crichton, and Committee Members Jenny Bourne and Lorna Lean.

3 positions are currently subject to confirmation by the Board, which are inclusive of Deputy Chairman Margaret Bourne, Chairman of Selectors Margaret O'Donnell and Committee Member Diane Wasley. Board confirmation or notice of changes will feature in the July Newsletter.

The new committee will be relying on and know they will receive assistance from all club members when events are held at Howlong, with the first being the Howlong Annual Tournament to be held on Thursday, 18th October, 2018.

It is hoped that most members will be attending the Joint Presentation Night to be held on Saturday, 30th June, 2018. As previously advised, our men are organising the event this year. Wally Bourne has advised a notice will be placed on the notice-board so that members may indicate if they wish to attend.

This notice will show the cost for the dinner and the closing date for entries.

Lady bowlers! You are reminded that our men bowlers are running Mixed Competitive Bowls on Wednesdays, during June, July and August, and would like you to join them on the green as often as possible, and particularly when the weather is fine. This is a wonderful opportunity for new bowlers to meet club members, and for members who are not going away to prepare for the bowling season that will commence when Ladies Opening Day is held on Wednesday, 29th August.

Margaret Crichton, Secretary/Treasurer.

HOWLONG BOWLS HEROS

The following members are an exulted group of individuals who make it possible to play Bowls at Howlong. They give freely of their time to make the Club a formidable competitor in all areas where it competes and provides playing conditions that are the envy of most. They deserve to be recognized and applauded for their dedication to the Howlong Golf & Bowls resort. With out them we would not exist. We also have a number of Bowls members who have completed their induction and we are hoping that they will soon join the volunteer crew to assist with the maintenance works. Please see the Bowls Manager or check the Bowls notice Board for further details.

WINTER GOLF

Members are reminded as we head into winter to constantly check posts on the Mi-Club fixtures list. Notice's will added regarding frost delay's and in the event of wet weather if carts are available for use. Golf Shop opens at 6:50am each day during winter. Once pro shop staff are informed by course staff of delay's to start times or a change to carts allowed on the course, a notice will be added to the Mi-Club fixture list.

Why have a frost delay?

Frost is essentially frozen dew. Ice crystals visible on the outside of the plant can also form on the inside of grass blades. The grass plant, normally resilient to footsteps or cart traffic, becomes brittle and fragile when ice crystals form. Under the pressure of traffic, ice crystals puncture living plant tissues and rupture plant cells. Damage will not appear right away, but it will show up in footsteps and tyre tracks the following days as the plant is unable to repair itself and begins to die. Frost damage can occur on any turfgrass mowed at any height but it is amplified when the plant is mowed low, as on a putting green. In a best-case scenario, damage will be limited to leaf blades only, which will eventually disappear once active turf growth resumes. However, if the plant crown, or growing point of the plant, is compromised, damage will be more severe and recovery could take months.

Keep in mind, a foursome typically takes several hundred footsteps on each green, so even allowing just a few groups to play when frost is present can be very damaging to the greens, and the rest of the golf course for that matter. It is not completely understood when frost will cause damage, so the decision to keep traffic off the golf course must be made conservatively to protect the condition of the course.

SUPERINTENDENT NEWS

While our superintendent Paul is enjoying a well earned break on his honeymoon, our Assistant Super, Brett is taking great care of the course

Brett has been kept very busy during the preparations for the Ladies Championships.

Works currently underway include;

- Tree trimming and shaping
- Bunker entry point adjustments
- Kikuyu eradication
- Broadleaf weed control in roughs

Dusting of the greens will continue to help with green trueness and repairing pitch marks.

We have two groups of volunteers working on the course with duties including rough clean up, branch removal and garden bed work. The Thursday night group is headed by Ray Reid. The new group which commenced last Friday is headed by Neville Batt.

We really appreciate all of the work done by the volunteers.

Don't forget, if you see Brett and the team while you are around the grounds, be sure to give them a thumbs up!
