HOWLONG NEWS

OCTOBER 2018

PRESIDENT'S REPORT

Welcome to the October edition of the Howlong News!

We have had some great weather over the past few weeks which means more chances to take advantage of our wonderful sporting facilities here at Howlong Golf Resort. With Daylight Savings about to commence, we look forward to seeing you all around the club, taking advantage of the longer and warmer days.

Over the last month we once again hosted 2 days of the NSW VGA's Vets Week of Golf, which was a great opportunity to showcase our course to travellers from far and wide. The North East Vets also held their September event here at the club, with an amazing field of 175 players.

It is only 2 months until we once again host this year's Murray Masters event, which I am led to believe is already fully booked. If you are interested in playing be sure to contact the club and express your interest in being placed on the reserves list in case a spot becomes available.

The Greens Team have done an amazing job with their recent Greens renovations and getting the greens back to a great condition after completing the coring process. I am sure all of our Members would agree our Greenkeepers do a great job in keeping our course in pristine condition all year round. With our peak season upon us they are to be congratulated on their continued efforts!

Our successful Wednesday Night Charity Bowls event commences this month, and if the Orientation Night is any indication, this years' competition will be a raging success. With rules brought in to make the event even more fun and exciting, I am sure all teams will play the games in the intended spirit and thoroughly enjoy their competition evenings, all whilst raising funds for their chosen charities.

Within our Clubhouse you will notice our restrooms are receiving a well-earned upgrade and are planned to be unveiled by mid-November. Renovations will include an all-purpose bathroom and First Aid facilities, whilst additional storage and laundry facilities are also included. I, like many, can't wait to see the final result.

We are close to securing our next General Manger, with final interviews taking place early in the month. A decision on this will be made after these final presentations take place, with an announcement to be made by the end of the month.

On a final note, it is disappointing we continue to hear several rumours circulating at the club. To put to bed some of those rumours... The wearing of Jeans IS permitted on the course and there are no plans to change this... YES you can use your membership points to renew your membership and NO this is not planned to change. Please be conscious that rumours and innuendos can be detrimental to the success of your club, so please, if you need any clarification on anything you have heard, please just ask the question rather than buy into whatever you may have heard.

MENS GOLF REPORT

The North East Vets held their September event at Howlong on Monday 24th of September attracting a field of 175 players. John Kimber was the star of the show winning D Grade with a great score of 40 points. John Arthur was runner up in A grade, Allen Brown was 3rd and Eddie Fah was 4th. Ivor Bumbers was 2nd in B Grade and Ian Mentakis with Di Tyrell-Miller and Jeanette Drummond members of the women's winning team. Jeanette won both women's nearest to the pins and Kevin Kerlin was NTPs on the 5th.

The Howlong event was the second and final round of the NEDVGA Championships and the Men's champion was Allen Brown scoring 73 stableford points. John Arthur was runner up with 70 pts and in C Grade Ian Rough defeated Tom Bennett on a countback both players scoring 70 points.

The Monthly Medal for September was John Watkins with a super score of 64 nett.

Also a reminder the Mixed Foursomes will be held on Sunday 6th October and the Men's Foursomes on Sunday 18th of November. The committee has moved these two events to later in the years to avoid the worst of the winter weather. As these are perpetual trophy events it would be great to see big numbers in the field.

The NSWVGA Week of Golf at Corowa and Howlong once again attracted strong numbers with over 80 players each day at Howlong on the Thursday and Friday, followed by lunch and presentations. Several local golfers featured in the prizes.

HOWLONG CHALLENGE

Congratulations to Andrew Coburn, Greg Allan, Caleb Bovalina and James Gordon in taking out this years' Howlong Challenge with a fine score of 54 off the stick, cruising to a 3 shot victory from their nearest competitors. Justin Gamble won the draw for the Titleist Travel Luggage Pack worth over \$1000.

Odyssey Ball Putter

Designers at Odyssey have been pushing the limits of alignment, high MOI forgiveness, and face insert technology seemingly forever, and certainly since the original Two-Ball putter came out in 2001 and quickly became the biggest seller in the industry.

Carrying on the tradition of innovation is the new Red Ball putter (\$180), which is specifically designed to improve both set up and alignment.

The key to the new putter design is an actual red ball, which is positioned under a “scope,” built into the topside of the club head. If you set up correctly with the red ball inside the center of the “scope,” you’ll know the loft and face angle of the club are consistent time after time. The design also forces you to set up with your eyes directly over the ball, which will produce a very accurate view of the line.

In addition, the Red Ball putter features Odyssey’s unique Versa contrast alignment aid to help make certain the putter is accurately aimed at the target line.

Other features of the new Red Ball model include the ultra-popular White Hot RX insert with Tour-proven sound and feel, a mallet shape, and more weight concentrated in the extremities of the club head to produce a high MOI and enhanced forgiveness and stability.

MENS BOWLS NEWS

Hi everyone,

We are pleased to start this month with a list of members whose skills and teamwork came to the fore in September over the last 7 Club competition days. Winners were Dianne Singleton with Terry Fletcher and Phil Slater, Marg O'Donnell-Foley with Maria Aczel and Ken Buchanan, Rob McConnell with Barbara Cherry, John Boyd with Kell Smith and Phil Slater, Ken Buchanan with Steven Goodear, and Steven Goodear with Bob Watson. Very well done to our winners as well as everybody who enjoyed those terrific Club days.

Our last home Winter Triples event was held on 20 September with 26 teams on a beautiful spring day. Winner on the day was one of our Howlong teams skippered by Bob Schneider (welcome back after your injury layoff) with 3 wins and plus 28. Second place with 3 wins and plus 17 was one of our visiting teams from Lavington, led by Ray Edwards. Third place was also a visiting team from Yackandandah with 2 and a half wins. Thanks to our lady bowlers who have supported our home days with lovely afternoon teas throughout the winter, much appreciated. Our Bowls Manager Wally Bourne also did a great job in co-ordinating each home days play, raffles and prize money.

We are very excited to advise that our Club has again been recognised for our skill level by the Albury and District Bowling Association by selecting 4 of our players to represent it in the Annual Challenge vs Wagga Wagga Association in Wagga on Sunday 7th October. John (Smokey) Dawson, Paul Baensch, Phil Slater and Wally Bourne will do us proud as per normal. Congratulations, gents.

Another representative fixture approaching is the Albury and District Annual Triples to be held at our Howlong Club on Sunday 11 November.

A reminder that the Odewahn Shield competition will commence on 6 October and the draw is now out with one of our 2 Howlong teams playing at home every Saturday until the finals. Come down and support your Club mates.

Another valuable programme soon to be actioned is our Club's involvement in the "School Kids Into Bowls" days to be held weekly on a Friday between 10am and 11am Commencing 26 October. This is a hugely beneficial programme for our Bowlers to be involved in including personally, for our Club as well as our Community. To volunteer you will need a "Working With Children" accreditation which can be accessed via the Internet. Thanks for considering your involvement. Our final reminder to those members who have indicated availability for next year's Pennant Season that your jacket size must be added to your name on the list ASAP Or you will miss out.

This upcoming season will be the first full season for our members involvement in preparing and maintaining our greens and environment for the high standards already set by our Club. We are asking that members advise on the notice board to list any areas you might be able to help with on a regular, rostered, basis. Thank you.

A couple of weeks ago we had two of our Club's bowlers, in John Boyd and Phil Slater, Join with Phil's cousin Ray Johnson from the Chelsea Club in Melbourne, play as a triples team in the Annual Australian National Diggers Bowling Carnival in Dubbo. All services participated and 84 teams played off. Our team won last year and were warm favourites again this year. After strong and consistent performances our team was successful again. No previous team has gone back to back. Congratulations to all 3 players in such a strong team environment.

Our Club has made a submission to the Albury and District Bowling Association to host District events for next season. If successful this will benefit our Community as well as our Club, with extra visitors to our town. We look forward to receiving their advice. Good bowling to all.

WOMENS BOWLS NEWS

Twenty-four members attended the Ladies Opening Day, held on the 5th September, 2018. The weather was very kind to us, and members were introduced to a new type of game, suggested by Marg O'Donnell, who gave each skip an instruction sheet.

Following the game, afternoon tea was provided by the ladies. On behalf of our little band of playing members, may I say "thank you" to our men for joining these members on the Opening Day of our 2018/2019 Bowls Season.

REMINDERS

The next **General Meeting** will be held on the **3rd October, 2018 at 10:30am**. At this meeting, preparations for the Club's Annual Fours Tournament will be finalised.

Our **Annual Fours Tournament** is, of course, being held on **Thursday, 18th October 2018**, commencing at **10.00am**. Invitations have been sent to the Riverina District Bowling Clubs and to a number of Victorian Bowling Clubs. Entries close on 9th October 2018.

The **Umpire's Charity Day** is to be held at **Henty** on **30th October**. As I previously told members, this is a wonderful day organised by the District Umpires to raise money for the Albury Wodonga Regional Cancer Centre Trust Fund, and I would like to see at least one team attend from our Club. Holbrook held it in 2016 and our club held it in 2017, with a total of \$3,500 being raised over those two years.

The **Bowls Syllabus 2018/2019** has been completed, except for the information we are waiting to receive from Sue Thurley, who is still waiting to hear from WBNSW before her Committee can finalise the 2019 RDWBA Programme. While our Club knows that our Annual Fours Tournament will be held on 28th November, 2019, and the Pennants will be played between 1st April and 24th May, we have not been given any dates for the District Pairs to be played at our Club.
